

Letter from the MICDS Board Chair

As we welcome our new Head of School Jay Rainey, MICDS has much to celebrate! Our School is performing at the highest levels across key measures used to evaluate independent schools including college placement outcomes, standardized and AP test scores, enrollment and endowment. Our facilities are exceptional, and our students are being recognized nationally and locally for achievements in community service, STEM research, robotics, athletics and visual and performing arts.

The extraordinary achievements of our students and School are only possible with the generous philanthropic support of alumni, parents, grandparents, faculty and administrators through the MICDS Fund.

Annual giving is critical to ensuring MICDS' position as a leading independent school in the country. MICDS Fund gifts benefit every student and directly impact the student experience, assuring robust resources for opportunities and experiences that deepen and extend learning and engagement in and out of the classroom. MICDS Fund gifts contribute to the operating budget and support all aspects of School life including:

- cutting-edge curriculum, field trips and interdisciplinary experiences;
- innovative resources and classroom tools;
- continuing education for faculty;
- financial aid;
- physical education and sports team equipment, training, mentorship and transportation;
- music, dance, theater and the visual arts; and
- facilities maintenance and repair.

Our Honor Roll of Donors includes every community member who made a gift of \$100 or more to the MICDS Fund in the 2018-2019 academic year as well as individuals who made gifts to the Bold Action Campaign, 25th and 50th Reunion Class Gift Program, Special Projects, Memorials, Tributes and Bequests.

I am awed and inspired by our community's incredible generosity and deeply grateful to these individuals for their critical support and commitment to our students and School.

Thank you for making MICDS a philanthropic priority. Together, we can nurture student passions and prepare our students to live and lead in the world that awaits them.

With gratitude,

Michelle Leith Cohen '88
